**REGISTRATION PACKET FOR CB SMITH PARK TRAINING**

HUMANEK9, Inc. offers various training classes designed to assist owners in training and bonding with their dogs using positive reinforcement methods. We feel strongly that a successful relationship is created between dog and owner by building trust and mutual understanding. We believe in and use humane training methods that enhance the communication between owner and dog.

Our classes are taught using positive-reinforcement based training and encourage the use of humane “people empowering” techniques in our classes. Our positive training methods make communication possible by praising positive behavior while ignoring or correcting negative behavior.
